

When Black Swallowtails come out of their egg as a caterpillar they love to munch on the leaves of Parsley, Dill, Fennel, and Queen Anne's Lace.

Black Swallowtail Butterfly

Plant nectar plants like Butterfly Weed, Petunias, Phlox, Heliotrope, Joe-Pye Weed, Zinnias and Coneflower.

Help make the Black Swallowtail the Official State of Michigan Butterfly. Contact your local state senator and ask him/her to support **Senate Bill 167** or go to michigangardenclubs.org for more information.

Created by Nancy Smith 2.2018 Permission to reproduce must be obtained from Michigan Garden Clubs, Inc.
