

Beaverton: 109th Blue and 10th Gold (2023)

The Butterfly Kaleidoscope Gardeners of Beaverton, in cooperation with the Billings Township Community Park, dedicated Michigan's 109th Blue Star Memorial and 10th Gold Star Memorial on June 17, 2023. The two By-Way markers are located at the Billings Township Community Park, 4404 Wieman Road, Beaverton. The markers, individually mounted on stone, shine brilliantly in the butterfly garden at the park. June 17th was a gorgeous day and the event was made extra special with a quilt raffle for the veterans, yellow roses for Gold Star Family members and the glorious release of monarch butterflies.

The event host was Dee Battista.
